

- ✓ 'DD SWAYAM Prabha' channels are upgraded from MPEG2 to MPEG4 technology with effect from June 7, 2023.
- ✓ Accordingly, the receiving parameters for 'DD SWAYAM Prabha' channels are changed as given below:

Receive Parameter	Value
Satellite/ Orbital Position	GSAT-15 / 93.5° East
Modulation	11630 MHz
Polarization	Horizontal
Symbol Rate	29500 Ksps
FEC	3/4

- ✓ Now, to receive these channels, MPEG2 set-top box needs to be replaced with MPEG4 compatible set-top box.
